

ACCOMMODATIONS

The keepers of the Kidger web site (www.kidger.com), who prepared the following information, are not native Glaswegians and are not competent to recommend a hotel or B&B based on our personal experience. However, the two Premier Inns listed below were recommended by University of Glasgow staff members, especially for their close proximity to the Kelvin Conference Centre (short taxi drive).

The two B&B's listed are also close to the Kelvin Conference Centre (short taxi drive) and very near to the Glasgow Botanic Gardens and other city attractions. They were chosen from an internet search.

PREMIER INNS

There are two Premier Inns, "Milngavie" at 103 Main Street, Milngavie, and "Bearsden" at 279 Milngavie Road, Glasgow. It is a short taxi ride from the inns to the conference centre. (see http://www.kidger.com/UK-ODM2014_Venue_Maps.pdf)
